RESPONSES TO ENVIRONMENTAL PROTECTION AGENCY (EPA) AND COLORADO DEPARTMENT OF HEALTH (CDH) COMMENTS AGAINST STATISTICS STRAWMAN -NMH-606-93

Attached please find responses to comments made by EPA and CDH against the strawman that EG&G Rocky Flats and the Department of Energy, Rocky Flats Office distributed at our meeting September 29, 1993. These responses are similar to those contained in an earlier letter dated November 18, 1993 (NMH-598-93) but modified per your comments from the November 23, 1993 meeting with Steven Needler. The modified strawman gives the methodology which will be used on subsequent site-to-background comparisons.

Attachment A contains the responses to EPA and Attachment B contains the responses to CDH. The revised strawman is also attached (C). If you have questions or comments, please contact Steven Needler at extension 6961.
